Directions in General Relativity: Proceedings of the 1993 International Symposium, Maryland: Papers in Honor of Charles Misner 1. Cambridge University Press. postscript - Instituto de Física / UFRJ Jun 1, 1997 . This paper is the text of a talk given at the symposium on Directions in General. Relativity, held at the University of Maryland, College Park in May, 1993, in honor of Dieter Brill and Charles Misner. answer, before proceeding farther. According to classical General Relativity, the metric behaves Some of these papers actually promote alternative quantum theories. the proceedings of Directions in General Relativity: An International Symposium in Honor of of Dieter Brill and Charles Misner, College Park, MD, 27-29 May 1993. Holes, Gravitational and the Universe: Essays in honor of C.V. Vishveshwara, eds. References - Living Reviews in Relativity Directions in General Relativity: Volume 1: Papers in Honor of Charles Misner v. 1: Proceedings of the 1993 International Symposium, Maryland, Papers in Directions in General Relativity: Proceedings of the 1993 .
