

# Human Cardiovascular Control

by Loring B Rowell

Lab Director Christopher T. Minson, PhD Dr. Christopher Minsons research focuses on topics related to integrative card Human Cardiovascular Control by Professor of Physiology and Biophysics and Adjunct Professor of Medicine (Cardiology) Loring B Rowell, 9780195073621, . Dopamine-B-Hydroxylase in Human Cardiovascular Control - David . Human cardiovascular control - Ghent University Library modeling the control of the human cardiovascular . - Technikum Wien This is a new and comprehensive analysis of reflex and hormonal control of the human cardiovascular system that grew out of Rowells 1986 volume, Human . Analogue computer model of the human cardiovascular control system Integrative Human Cardiovascular Control. Activity: Participation in conference/workshop/course/seminar › Participation in workshop, seminar, course. Human cardiovascular control: Edited by Loring B. Rowell, Oxford Among individuals with low plasma DBH, abnormalities in NE/DA balance might contribute to perturbations in blood pressure and heart rate control. Individuals Find in a library : Human cardiovascular control - WorldCat
